1:00 - 2:00 **Breakout Session 1**

Introduction to ASSIST

Dale Leaman - Catalina Ballroom I

Background information on ASSIST and a discussion of campus roles and responsibilities. Recommended for those new to ASSIST.

Online Services for Curriculum and Articulation Review (OSCAR)

Cathy Robin - Catalina Ballroom III

An introduction to OSCAR, the new online course outline submission program being developed jointly by ASSIST and the CSU Chancellor's Office. Recommended for any interested attendees. (This session will be repeated.)

ASSIST Articulation Maintenance System - Feedback from Users

Eric Taggart & Lori Quillen - Catalina Ballroom II

A discussion intended to gather input concerning the ASSIST Articulation Maintenance System. Topics include entry screens, functionalities, basic principles, and schedule. Intended for UC and CSU personnel who are responsible for articulation data entry in ASSIST.

2:00 - 3:00 **Breakout Session 2**

Web ASSIST Activity and User Feedback

Dale Leaman - Catalina Ballroom I

A report on the activity statistics of the Web ASSIST program and a summary of the feedback received from users. Recommended for any interested attendees.

Online Services for Curriculum and Articulation Review (OSCAR)

Eric Taggart - Catalina Ballroom III

An introduction to OSCAR, the new online course outline submission program being developed jointly by ASSIST and the CSU Chancellor's Office. Recommended for any interested attendees. (This session will be repeated.)

Model Format of Articulation

Cathy Robin & Larry Coon - Catalina Ballroom II

A discussion of the status of the project to develop a model format of articulation in ASSIST. Recommended for any interested attendees.

3:00 - 4:00 **Breakout Session 3**

ASSIST Curriculum Data - Process and Issues

Dale Leaman - Catalina Ballroom I

A discussion of curriculum data in ASSIST, the ASSIST Curriculum Update System, and Curriculum Corrections and Late Additions. The session will focus on the relationship between the ASSIST Curriculum data, articulation agreements, IGETC lists, CSU GE/Breadth lists, UCOP TCAs, and CSU Baccalaureate lists. This session is recommended for any new ASSIST contact and is appropriate for any interested attendees.

Community College-to-Community College Articulation in ASSIST

Cathy Robin - Catalina Ballroom III

A discussion of the possibility of including Community College-to-Community College Articulation in ASSIST. Participants are encouraged to bring representative examples of articulation. Recommended for Community College personnel.

UC and CSU Degree Audit Systems

Eric Taggart & Lori Quillen - Catalina Ballroom II

A moderated discussion for UC and CSU attendees to exchange information about how they use data from ASSIST in their local degree audit systems, problems they have encountered, and other issues related to their local degree audit activities. A discussion about accessing and processing student transcripts will be part of the session. No planned presentations. Recommended for any interested UC and CSU attendees.
